

Barnwell School Advisory Council
November Principal's Report
November 1, 2023
Barnwell School Art Room 6:30 pm

- 1.) The first few months of school have flown by. Term 1 report cards will be sent home on Friday, November 10th. There is a new report card format for that teachers are using and as stated in September, core classes will be graded using a percentage. Option classes are graded using the Alberta Education CTF assessment outcomes. Elementary has the same marking criteria, however, letters will be on the report card instead of colours.

Horizon School Division
Barnwell School

Mathematics (4)						
Number						
Measurement						
Patterns and relationships						
Geometry						
Statistics						
Fact Fluency						
Teacher: Cori Francis				T1	T2	T3
Science (4)						
Understands science concepts						
Demonstrates scientific skills and procedure						

- 2.) We were informed that Ms. Yanke's leave and Mr. Edlund's leave have been extended, so Ms. Flockhart will remain as the JH Language Arts teacher for the next term and Mr. Johnson will continue to be the Grade 3-7 Math teacher.
- 3.) Our Volleyball season has come to an end. We want to thank the coaches, parents, and volunteers for making it a success. Both of our Tier 1 Teams won divisionals and are participating in zones this weekend. Our Tier 2 Girls 7 /8 team also won divisionals. With Mr. E away for this season, the role of Athletic Director was shared amongst the staff and it was a huge learning curve and overall, things went well. Try-outs for basketball will happen after zones has finished.
- 4.) The school leadership class has taken on a lot of responsibility this year with engaging our students in a variety of activities. They have been organizing events such as the monthly Purple Pride Assemblies, Orange Shirt Day, Halloween, and a variety of other tasks around the school. They have been working maintaining bulletin boards in both parts of the school to keep kids informed and have also been communicating with teachers, all great skills to have as leaders.
- 5.) Our Book Fair was a big success, raising over \$3000 and our library/public library gets to select 40% of that amount in new books for our library which currently has over 24,000!
- 6.) Picture packages were sent home today. This is a reminder that Barnwell School longer no longer receives class pictures for free as our family population does not purchase a lot of packages. They can be purchased separately for \$7 each.
- 7.) Alberta Education just released the accountability pillar results, I will review them with the council next meeting.
